Some important points:

1. *The End Term Examinations of courses like Capstone, Dissertation, Projects and similar courses will be scheduled as per the Guidelines released for Capstone, Dissertation, Projects and similar courses issued from time to time by the University.
2. The dates mentioned in the calendar, especially with regard to end of Mid Term and End Term Examinations, are tentative and a variation may occur. Students are advised to plan for travel after looking at their respective date sheet for all components of Regular End Term Examinations i.e. Theory (ETE) / Lab or Practical (ETP) / Viva for Projects/ Dissertations etc. As per University policy the student will be required to vacate the residential room/ apartment within 2 days after the end of all components of Regular End Term Examinations.

For example: The last date for conducting End Term Examination (ETE) including Theory and Capstone Evaluation (wherever applicable) for all programmes by the University is upto **Tuesday, Jun 14, 2022**. If a student's all components of Regular End Term Examination end on **Friday, Jun10, 2022**, then as per University Policy, the student will have to vacate the hostel by **Sunday, Jun11, 2022** and not **Tuesday, Jun 14, 2022**.

3. Any examination may be held on Sunday.
